- Perfect pressure for full Espresso taste
- Classic milk frother for a tasty Cappuccino
- Coffee pods compatible
- Pressurized filter holder for perfect crema
- Stainless steel body for long-lasting performance

**GAGGIA**  
MILANO

## HIGHLIGHTS

### Perfect pressure

The 15bar pressure of your Gaggia coffee machine will make sure you always get the authentic Espresso taste.

### Classic milk frother

The classic milk frother on this Gaggia Espresso machine, traditionally called "Panarello", turns milk into gorgeous milk froth within seconds for a Cappuccino, a Latte Macchiato or more. It also delivers hot water for tea.

### Coffee pods compatible

Our Gaggia manual machines come with a coffee filter for 1 or 2 cups of ground coffee, and a special filter for so called ESE (easy serve Espresso) pods. These ESE pods are perfectly portioned and make it easier to operate a manual Espresso machine.

### Cup warmer

Your Gaggia Espresso machine has an energy-efficient integrated heating element to provide pre-warmed coffee cups. Pre-warming a cup will ensure your Espresso stays hot for longer.

### Pressurized filter holder

The pressurized filter holder on your Gaggia machine will create an Espresso with the perfect Crema.

### Stainless steel body

The case of your machine has been skillfully manufactured from stainless steel. This makes your Gaggia more robust, ensures long-lasting performance and is an eye-catcher in every kitchen.

## SPECIFICATIONS

### Weight and dimensions

- Maximum cup height: 75 mm
- Product dimensions: 20,0 x 26,5 x 29,7 cm
- Product weight: 4 kg
- Water tank capacity: 1,0 l

### Technical data

- Power: 950 W
- Pump Pressure: 15 bar
- Boiler: Stainless steel
- Frequency: 50 Hz
- Voltage: 230 V
