- Perfect pressure for full Espresso taste
- Cup plate
- Coffee pods compatible
- Pressurized filter holder for perfect crema

...in continua evoluzione

- Rotating classic milk frother for hassle-free frothing

GAGGIA
MILANO

HIGHLIGHTS

Perfect pressure

The 15bar pressure of your Gaggia coffee machine will make sure you always get the authentic Espresso taste.

Cup plate

The cup plate on top of the Espresso machine makes it easy to always have a cup handy.

Coffee pods compatible

Our Gaggia manual machines come with a coffee filter for 1 or 2 cups of ground coffee, and a special

filter for so called ESE (easy serve Espresso) pods. These ESE pods are perfectly portioned and make it easier to operate a manual Espresso machine.

Pressurized filter holder

The pressurized filter holder on your Gaggia machine will create an Espresso with the perfect Crema.

Rotating classic milk frother

The classic milk frother on this Gaggia Espresso machine, traditionally called "Pannarello", turns milk into gorgeous milk froth within seconds for a Cappuccino, a Latte Macchiato or more. It also delivers hot water for tea and can be easily rotated for hassle-free frothing.
