 **Saeco**

Highlights

15 bar pump

High pressure ensures that the coffee beans entire aroma is always fully extracted.

Cup warmer

This feature allows you to not only store your cups and glasses right on the machine, it also pre-heats them letting the aroma unfold even better and guaranteeing a long-lasting crema

Grind coffee and Easy Serving

For your convenience you can choose between ground coffee and Easy Serving Espresso (E.S.E.) pads.

Pannarello

With the pannarello you can froth your milk exactly according to your preferences. Just dip the pannarello in the milk, while slowly stirring the milk with a rotary movement. Froth the milk as long as you want for more or less foamy mikfroth.

Pressurized filter Crema

This special crema filter guarantees a long lasting delicious crema

2,5 liter water tank

The large water tank permits many coffee making with less refilling

Full stainless steel

premium material for long lasting and easy to clean
